

WINTER SOLDIER IRAQ AND AFGHANISTAN Eyewitness Accounts of the Occupations

Iraq Veterans Against the War and Aaron Glantz
Foreword by Anthony Swofford

In the spring of 2008, inspired by the Vietnam-era Winter Soldier Investigation, IVAW gathered outside Washington, D.C., and testified to atrocities they personally witnessed or participated in while deployed in the occupations of Afghanistan and Iraq. The book presents their powerful words, photographs, and documents from this historic event, with a Foreword from Anthony Swofford, author of Jarhead.
