

FUM Energize, Equip and Connect Gathering

Sunday, 11/20, 10 AM

Berkeley Friends Church

Colin Saxton, general secretary of Friends United Meeting, will be with us over the weekend of November 18 - 20. He invites all of us to gather to hear more about the **Energize, Equip and Connect Campaign**. We will discuss the good work of Friends United Meeting and envision how FUM can better partner with Yearly Meetings/Association and local meetings like ours within the global community of Quakers.

The Campaign is aimed at strengthening FUM's sustainability and enabling the launch of several new initiatives, revitalizing our work and witness in North America. BFC is an integral member of FUM and this is a good opportunity to share some of our hopes for the future of Friends!

We hope to see you there!
