

Tsuru for Solidarity *Change in plans*

VIRTUAL Paper Crane “Fold-In” from your home

Sunday, April 5, 2020 1:15pm to 2:45pm PDT

Join us to fold cranes to send to the National Pilgrimage to Close the Camps in June, organized by the Japanese American Community. Tsuru for Solidarity is pushing to close the camps for asylum seekers, understanding the way in which history is being repeated from WWII.

The goal is to send 125,000 cranes – a symbol of peace, compassion, hope and healing.

More than 110,000 cranes have already been folded!

No experience necessary. We will teach you! **See details on page 3.**

Zoom web conference connection information is on page 2.

In addition to folding cranes with us, you can support this effort by:

- Signing the Close the Camps Petition bit.ly/closethecamps petition
- Folding cranes at home (contact Tomi)

Tsuru for Solidarity is a nonviolent, direct action project of Japanese American social justice advocates working to end detention sites and support front-line immigrant and refugee communities that are being targeted by racist, inhumane immigration policies. We stand on the moral authority of Japanese Americans who suffered the atrocities and legacy of U.S. concentration camps during WWII and we say, “Stop Repeating History!”

Folding Cranes at Home

2. Origami paper is inexpensive at [Daiso](#) - \$1.50 for 24 sheets. It's also available in art stores.
3. [Here](#) is a good instructional video for folding cranes. (After 4 seconds hit "Skip Ad")
4. We can fold cranes from our own homes and talk!
5. Please keep your cranes flat, i.e. in an envelope, and deliver or mail them to Berkeley Friends Church 1600 Sacramento Avenue by April 20.
6. Please fold as many as you can! If you can commit to folding 25 or 50 that would be amazing.
Thank you!
